

The NEW CJ '17 Food Depot

AND... A Pizza Night for each Sub-Camp too!!!??

As part of this innovative CJ '17 Patrol feeding plan, each Sub-Camp will also have a pizza night!

Starting on Sunday, July 9th, each Sub-camp has their evening meal provided for in St. Andrew's Plaza.

Participants will receive a large pizza slice and a beverage. Tickets will be issued by your Sub-camp in advance of your night.

A new way to get in, get out and feed your troop!

There is so much to see and do at CJ '17, why waste time grocery shopping when you could be partaking in mind-blowing adventures?

For the first time, a Canadian Jamboree will offer Scouts and Scouters an efficient, time-saving "Pick and Pack Plan" grocery solution.

Based on the published menu, Patrols will 'shop' for their food items from our onsite store, picking up pre-packaged groceries twice a day based on their Patrol size.

\$140 / person – that's it!

In order to ensure this runs efficiently for all participants, [a grocery/food fee per person of \\$140 will be charged](#). This amount will be collected from all members of your Patrol, including Scouters, in advance of CJ to avoid line-ups for payment onsite ([payment, cash or Group cheque](#)) [will be accepted upon arrival but may result in wait times while being processed](#)).

You can submit your fees prior to arriving for CJ before June 20th. See reverse for more details.

Three Squares + Pizza

The CJ'17 "Pick and Pack Plan" provides for all meals starting with breakfast on Saturday, July 8th and it ending with breakfast on Saturday, July 15th.

Oh – and it covers a pizza night too – see side-bar to the left.

For those that require it, we will have limited quantities of items available for purchase at the Canteen (next to the Food Depot). Only cash payment is available. Items include: Ice, ketchup, mustard, dish soap, bleach, oil, etc).

What about Pop, Chips, and (importantly) ICE CREAM??

The food depot will only provide what is on the menu. However, there will be a canteen located next to the food depot, and this will sell ice, pop, chips, ice cream, etc. Food will also be available for purchase in St. Andrew's Plaza.

After June 20th you will be required to pay on arrival at CJ'17 by cash or Group cheque only.

What about line-ups??

Each Patrol will send a maximum of two members to the depot for their shopping.

The depot volunteers will ensure a fast and efficient 'check-out' process. Without the need for food to be purchased, it will be a fast and positive experience for Patrols.

What about allergies??

By collecting all the information on dietary requirements from Participants we will have options available for these that require it.

How will we transport our food to our site from where we pick it up?

Patrols are asked to bring several reusable material grocery bags (easy to fold and carry in your pack even if you are flying to CJ). Bring 6-8 per Patrol so you can use them for each pickup.

What will happen when we show up for grocery pickup?

You will be greeted by one of our grocers and do a pick/pack of your items. After collecting everything for your Patrol, you will sign out and be on your way back to your site to enjoy your food. This is designed to be efficient and less time consuming for you. *[For more on this topic, please see the FAQs.](#)*

How will we cook lunch if our Program takes us offsite?

All lunches will consist of non-cook items. It is recommended that Patrols make up their lunch, sandwiches / wraps / bagels / etc., during breakfast and carry lunch with them to their Programs. This may not be necessary if your Program is close to the Subcamps, but we want to ensure that you have as much time as possible at the Programs.

Can we bring our food for the week?

Because this is an event of more than 5,500 participants, Scouts Canada must meet provincial Health and Safety and Food Safety requirements. **This means off-site food cannot be brought on-site (not including snacks / condiments / spices/freeze dried food.** The menu has been approved by a nutritionist and meets Canada's Food Guide recommendations. At \$20 per person daily, including the special Sub Camp Pizza Night at the Plaza, this will be a simple, efficient solution to feeding our hungry Scouts.

Patrols can still bring their own snacks and condiments if they wish including spices/freeze dried food, etc.

A couple safety reminders: Remember we are a peanut-aware Jamboree so no peanuts/GORP with peanuts, peanut granola bars, peanut butter/etc. and handwashing before every meal is a must for everyone in Patrol site kitchens!
