Wrap up

You should now have a better understanding of your role in the planning, delivery and assessment of safety. Scouts Canada believes strongly in shared leadership and teamwork.

Scouts Canada's youth members are counting on you to keep them safe. This is a huge responsibility.

On behalf of the millions of youth who have benefited from Scouting over the years, Scouts Canada would like to thank you for taking on this responsibility. Remember, with great responsibility comes great opportunity. Collectively, we positively affect the lives of thousands of young Canadians every year. Together we can make Canada a better place for years to come. It all starts with a safe and positive environment for the youth who have been entrusted in our care.

Thank you for your commitment and for all of your efforts in living the Scouts culture of child and youth safety.
